# SHOW YOUR LOYALTY

## to animals in need

Remember, more animal antics mean more happy homes for animals. So, pull out all the stops to collect as much as possible. Set yourself a target and paw away at it until you're purring with contentment

**£1500** could run one of our animal centres for a day and lovingly take care of around 100 animals.

**£500** could pay for an abandoned cat to be loved and nursed back to health by a foster family for a year.

**£150** could pay for all the veterinary care the animals in one centre need for a day.

**£60** could help to provide enough food, shelter and bedding for a rescued dog or cat for a week.

# Whatever you like doing, we'll get your tail wagging

Whether you like to run like a dog, curl up like a cat, shake your tail feathers or just monkey-around, this animal-crackers fundraising pack contains a fundraising idea that will be just purrfect for you.

It all starts with unleashing the animal inside of you, whether that's a bouncy bunny or a sleepy dormouse. And it ends with giving more animals happy homes by sending in the money you've raised.

If you need any support along the way, our animal-loving fundraising team are here to help you have as much fun and raise as much money as possible.

# ANIMALS LIKE BUSTER ARE COUNTING ON YOU

Every pound and penny you raise is to help animals like Buster.

We rescued Buster after one of our inspectors received a complaint about an owner who was neglecting a dog. Buster was 'a walking skeleton'. He was literally skin and bone, and weighed just 12.6kg – almost half the 22kg he should have been.

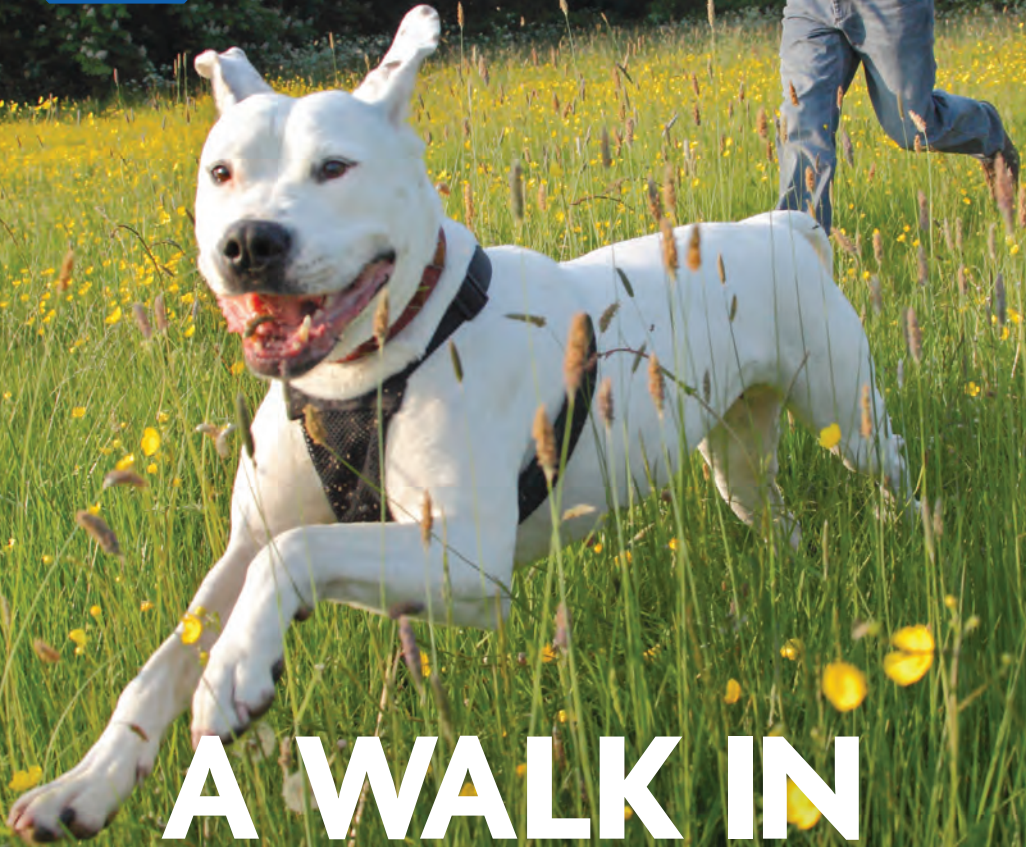

A real trooper, Buster pulled through. But it took lots of meals, treatment and, most of all, loads of TLC. He beat the odds, which he seems to have done all his life.

We have so many animals like Buster, all in desperate need of new homes. We've nursed them back to health and they're ready to find someone to love them. All this is because of people like you who raise money for the RSPCA.

We can't rescue and rehome dogs like Buster without animal lovers like you, so please unleash the animal in you today and let animals like Buster know you're on it.
